INTERNAL MONITORING MECHANISM CHHAYGAON COLLEGE

ABOUT THE COLLEGE

The history of Chhaygaon College is, indubitably, the history of higher education in the greater Chhaygaon area of South Kamrup- the homeland of heterogeneous racial elements. The inception of this institution at Chhaygaon on the 6th September, 1974 is the inevitable outcome of the unceasing effort and uniting zeal on the part of the distinguished personalities and the patrons of learning of the area. Despite numerous setbacks, the College grew healthy with the passage of time and developed into a full-fledged co-educational institution making provision for instruction to Degree levels of Major & General Courses in Arts and Commerce streams. The Arts stream came under the deficit system of grants-in-aid of the Govt. of Assam with effect from 01/02/1985 and is permanently affiliated to Gauhati University. The Commerce stream which was introduced later is affiliated to Gauhati University from the session 1989-90. The College, **registered under U.G.C. 2(f)/12(B)** runs the Higher Secondary Section in Arts & Commerce with permanent recognition of the Assam Higher Secondary Education Council.

In view of the exploration and explosion of knowledge and the innovations in the transmission of knowledge, the College authority has done a great deal in its attempt to sustain and enhance quality in higher education. With a balanced body of qualified teachers engaged in deep pursuit of higher studies and ambitious projects, and a sound body of educated people in the College Governing Body, the College is striving towards higher level of achievement. The College authority has formulated a Master Plan for augmenting the infrastructure to keep pace with the academic growth of the institution and has, in the meantime, adopted and carried out a number of schemes for academic and infrastructural acceleration required and desired in today's environment. With the firm conviction that quality in the educational system comes from within, Chhaygaon College affirms its commitment to impart higher education by providing quality education to uphold the cherished value of education in all its aspects.
