Message

I have been associated with the Chaygaon College as President for quite some time. The College has made a fascinating journey over the years-from its nascent stage when it was born with the endeavor of the founding fathers of Chaygaon and the neighborhood- today it has grown into a remarkable Institute spreading knowledge to the students drawn mostly from rural areas. Ever since I had been the President it has been my endeavor to build up a synergy and team-spirit of the Governing Body, teachers and students. This has yielded good results in the progress and development of the College with all the facilities like modern teaching aids, Gymnasium, auditorium (one of the best in Assam) indoor stadium (almost complete) and above all the dedication of the Principal and teachers to ensure that the students get the best education and leave the portals of the college imbued with knowledge, sense of service, ethical attitude and turn out to be good human beings.

With these words I warmly welcome the new students who will be enrolled now and in the future
