The emblem of our prestigious college has been designed in a circle rested on a raised surface with four pillars in each corner. The circle is indicating towards motion, prosperity and continuity. The background encircled by the red sun bears hope of light and knowledge. The sun is braced on either side by two branches bearing leaves. In front of the sun is designed a bird in flight with food in its beak which indicates struggle for existence and pursuance of knowledge. Just below the sun two words in Sanskrit are attached (Vidya Sadhoyote) which means 'knowledge is power' and is the only weapon to achieve our goal and objectives. The establishment year of the college is engraved in the lower foremost part of the emblem which marks the initiation of higher and quality education in greater Chhaygaon area.

From the Principal's Pen...

My dear junior friends,

I extend my hearty wishes to you on this auspicious occasion of advancing stride to a higher platform of academic achievement. I am happy as well as proud to share that our college is successfully maintaining Post Graduate courses in Assamese under G.U. and in all disciplines under IDOL or KKHSOU. I am hopeful that these opportunities of conducting P.G. courses will bless the meritorious but economically challenged students of our institution hailing from the remote areas. It's a great pleasure for me to announce that achievement of 'Ishan Uday' Merit Scholarship under UGC by our students has become a continuous process. Another feather in the cap is in the sports arena. Our college Kabbadi Team has been adjudged the 'Best Team' in Inter College Tournament. The commendable result by Miss Alimpika Saud, our student, needs special mention. She has been awarded a Scooty by the Govt. of Assam for her meritorious result. Her effort should also influence you all. There is a conspicuous change in our computer lab, it has been modified into a hi-tech one.

My hearty congratulations to Rima Das, our ex-student, the Director of 'Village Rock Star' who doesn't need any introduction and also my good wishes to award-winning Mallika Das, student of our college for her contribution towards sound recording in making of the same.

I feel extremely happy to state that our college has been awarded with Appreciation Certificate by Assam State AIDS Control Society. I hope an pray to god that this philanthropic attitude continues.

I do have firm belief that our students will always upkeep the name of our college and be a better citizen of tomorrow.
